
CONSTITUTION

1. The name of our group for this simple constitution is YouthTV / YouthTV Group.
2. The aim of the group is;
to educate, connect, and engage young people through compelling content that speaks directly to their experiences and aspirations.

To achieve this aim, we will:

- Create content that young people can relate to.
- Open volunteer positions for young people to gain experience in the media industry.
- Create opportunities for young people both directly and indirectly. ***An example of indirectly would be with our season launch parties and an example of directly would be a trip to BBC Media City UK.***

3. Committee

The group will be administered and managed in accordance with this constitution by the members of the committee.

Members of the committee can only be appointed by the chair and can be recommended by a current member of the committee.

The committee can co-opt members to fill any vacancies on the committee.

The election or removal of members of the committee may only be carried out at a meeting.

A member of the committee can resign at any time if their resignation does not leave less than three members on the committee.

The committee will consist of Chair, Secretary, Treasurer, and any other roles as the committee decides from time to time.

4. Powers

In furtherance of these aims the committee has the power to;

- raise funds, invite and receive contributions to further its aims
- open a bank account
- take out insurance
- organise and run activities and events and to produce and distribute leaflets and other publicity materials
- acquire and manage goods and property
- employ staff
- co-operate with other charities, voluntary bodies and statutory authorities operating to further the aims and to exchange information and advice with them
- consult the public by arranging meetings and surveys
- do all such other lawful things that are necessary for the achievement of the aims.

5. Funds

All payments and instructions to the bank shall be signed by at least two members authorised by the committee to sign such documents.

No member of the committee shall receive any payment or financial benefit from the organisation, other than payment of reasonable out of pocket expenses.
The committee will be responsible for keeping financial records.

6. Changes

Alterations to this constitution can only be made at a meeting and must be agreed by at least 75% of those present and voting. The chair has overall decision if the voting is not unanimous.

7. Transfer of Assets;

The committee may only gift the organisation's assets, on dissolution or otherwise, to a properly constituted body – ideally which exists for similar aims – and in any event which prohibits both the payment of remuneration to its governing body and the transfer of its assets to private individuals or commercial organisations.
